- 1.2 These Online Conditions govern the purchase of products on www.calzedonia.com (hereinafter referred to as the "**Website**") and do not, however, regulate the sale of products or services by parties other than the Seller that may be present on the Website via links, banners or other hypertext links. The Seller is not responsible for the supply of goods and services by third parties.
- 1.3 The Customer will be identified using the data they provided in the Order Proposal. It is forbidden to provide false and/or invented data: the Seller is exempt from any liability in this regard.
- 1.4 Products offered on the Website are intended for customers of legal age. By placing an order through the Website, the users asserts that they are over 18 years old and have the legal capacity to enter into binding contracts.

2. CONTRACT CONCLUSION METHOD

- 2.1 The information referred to in these Online Conditions and the details contained in the Website do not constitute an offer to the public, but a mere invitation to formulate an Order Proposal. After sending the Order Proposal, the Customer will receive a confirmation of receipt by email (hereinafter referred to as the "**Order Proposal Confirmation Receipt**"). This email does not lead to the acceptance of the Order Proposal, which is considered accepted only when the Customer receives a subsequent confirmation email that the Order Proposal has been accepted and that the Products are being shipped (hereinafter referred to as the "**Order and Shipping Confirmation**").

Thus, no contract exists between the Customer and the Seller until the Order Proposal is explicitly accepted by the Seller by sending the Order and Shipping Confirmation.

The online purchase contract (hereinafter referred to as the "**Contract**") will therefore only be considered completed when the Customer receives the Order and Shipping Confirmation ("**Contract Conclusion Date**"): from this moment forward the Order Proposal will be simply defined as "**Order**".

- 2.2 Before transmitting your Order Proposal, the Customer will be asked to confirm that the Online Conditions have been read and accepted, including the clauses that establish unfavorable conditions for the Customer (for example limitations of liability, right to withdraw from the contract, exceptions to the jurisdiction of the judicial authority, etc.).
- 2.3 Upon conclusion of the contract, the Customer will receive the Order and Shipping Confirmation by email, containing a reference to the Online Conditions, already read and accepted by the Customer when the Customer had sent the Order Proposal and a recap of the Order.
- 2.4 The Seller reserves the right to request further information relating to the Order Proposal by e-mail or phone before sending the Order and Shipping Confirmation.
- 2.5 The Seller may choose not to process Order Proposals that do not provide sufficient solvency guarantees, or those which are incomplete or incorrect, or in the event of unavailability of Products. In these cases, no later than 30 (thirty) working days from the day the Customer sent the Order Proposal, we will inform the Customer via email with the reasons the contract cannot be completed and no Order Proposal shall be made. In such cases, the amount placed on hold against the chosen payment method will be released.
- 2.6 The Seller agrees to deliver the ordered Products as soon as possible (taking into account the method of shipment selected by the Customer) and in any case, no later than 30 (thirty) days from the Contract Conclusion Date.
- 2.7 The Seller reserves the right to refuse Order Proposals from a Customer with whom a litigation and/or a dispute relating to a previous Order is in progress, or has previously occurred. This also applies to all cases in which the Seller deems the Customer unsuitable, including, by way of example, previous violations of the Online Conditions, the Loyalty Program or for any other reason, particularly if the Customer has been involved in fraudulent activity of any kind.
- 2.8 Although the Seller constantly adopts measures to ensure that the photographs shown on the Website are faithful representations of the Products, including the adoption of every possible technological solution to minimize inaccuracies, some variations are always possible due to the technical characteristics and color resolution features of the computer used. Consequently, the Seller is not responsible for any inadequacy of the graphic representations of Products shown on the Website due to the aforementioned technical reasons, as such representations are merely illustrative.

3. SPECIFIC SALES CONDITIONS FOR CUSTOMIZED PRODUCTS

- 3.1 Certain Products may be customized only where expressly permitted by the Seller.
- 3.2 The Seller may activate a customization service, which includes:
 - a) the addition of a word, symbol, number, or phrase to the selected Product (hereinafter referred to as the “**Custom Text**”). The Customer acknowledges and warrants that the Custom Text shall not be offensive, pornographic, defamatory, blasphemous, racist, discriminatory, threatening, or incite violence. It shall not include names or nicknames of public figures, nor shall it infringe the rights of third parties, including intellectual property rights or third-party registered trademarks.

The Seller reserves the right, at its sole and absolute discretion and for any reason, to reject any Custom Text that violates the above provisions or that is otherwise deemed inappropriate by the Seller. If the Seller rejects the Custom Text proposed by the Customer, the Order Proposal shall be cancelled.

By placing an order for Customized Products, the Customer:

 - represents and warrants that the requested Custom Text does not fall within any of the prohibited categories;
 - assumes full responsibility for the requested Custom Text;
 - agrees to indemnify and hold harmless the Seller, its affiliates, and any companies within the Seller’s group from any costs, expenses, damages, or losses incurred as a result of the use of any Custom Text applied to the Customized Product.
 - b) The application of specific modifications to the Products to adapt them to the Customer’s requirements (hereinafter referred to as “**Customization Modifications**”).

Products customized through the "Custom Text" and/or "Customization Modifications" services are collectively referred to as "**Customized Products**".

- 3.3 Due to the nature of Customized Products and the fact that they are made specifically for the Customer, they cannot be returned, refunded, or exchanged. Accordingly, the right of withdrawal is expressly excluded. Therefore, Article 7 of these Online Terms shall not apply to Customized Products.

The statutory warranty for non-conforming products, as set out in Article 8 below, shall remain fully applicable.

4. SELLING PRICES

- 4.1 The prices of the Products (hereinafter referred to as the "**Price/s**") and the shipping costs (hereinafter referred to as the "[Shipping Costs](#)") are those indicated on the Website and at the time of the transmission of the Order Proposal.

It is the Seller's responsibility to verify the accuracy of the Prices prior to sending the Order and Shipping Confirmation. If, due to technical errors, material errors or other inconveniences, the Price indicated on the Website is lower than the correct sales price of the Product, the Customer will be contacted to verify if he wishes to buy the Product at the correct price. In the event that you do not wish to proceed with the purchase, the Order Proposal will be canceled. - 5.2 Most common credit and debit cards are accepted. Payment by credit card will not incur any additional charges. The Customer making the payment confirms that they are the holder of the credit card used. In the absence of these conditions, it will not be possible to proceed with the Order Proposal.

At the time the Order Proposal is sent, only the amount will be maintained: the actual charge will only be made at the time of Order and Shipping Confirmation.

In the event that it is not possible to debit the amount charged, the Order Proposal will automatically be cancelled.

Please note that the Seller is not able to fully know information relating to the Customer's credit card, which is managed directly by the third party who administers the payment. For this reason, the Seller will not know such data, nor It will keep such data and the Seller will be able to have access only to the partial information that the Customer decides to save (by way of example; type of credit card, expiry date, card holder); those information are insufficient to identify the credit card but useful for Customer's next purchases.
